Vintersorg returns with their long-awaited new album “Vattenkrafternas Spel”!

Merging old and new with a captivating mix of athmospheric Metal and Folk!
Sweden’s elemental force Vintersorg returns with their new album “Vattenkrafternas Spel”! “Vattenkrafternas Spel” merging old and new with a captivating mix of atmospheric Black Metal and Folk! It doesn’t just retrace old steps... it digs deeper! This is not the “let’s drink ale in the woods” version of Folk Metal,Vintersorg deals in frostbitten grandeur and soaring melancholy.

As always, Andreas Hedlund (aka mr. Vintersorg himself) leads the charge, balancing razor-edged riffing with layered clean vocals, icy shrieks, and a knack for songwriting that’s as cinematic as it is punishing. There’s no scientific concept this time around, no tangled
progressive detours, just full immersion in atmosphere, feeling, and elemental force. Call it Folk Metal, call it Black Metal, call it Vintersorg at full power!

Line up:
Vintersorg - Guitars, Keyboards, FX and Drum Programming
