Opis produktu

Sepulchral Voice, 6 panel digipak, 12 page booklet, After 5 years of roaming city streets like a pack of rabid dogs, Vircolac is set to release its debut full length album titled `Masque´. Following on from 2016's The Cursed Travails of the Demeter EP, `Masque´ celebrates a bolder edge mixing more visceral and vicious aural assaults with with a foreboding and obtrusive atmosphere throughout the 36 minutes of the recording. Masque is a direct statement of purpose by Vircolac and is the culmination of half a decade of steadfast belief in the continual relevance and importance of Death Metal.
