Opis produktu

Sepulchral Voice, 6 panel digipackcover, 12-side booklet, Four brand new compositions of hard crushing blackened DEATH METAL. These dark & rough chants show VIRCOLAC as a mighty rock of conviction in the middle of surging waves of "sophisticated" and "artistic" trends that try to transfigure and distort genre-borders and castrate the term -DEATH METAL-. 'The Cursed Travails Of The Demeter' makes clear this rock was made out of the lava once such volcanos as Morbid Angel, Bolt Thrower, Order From Chaos, Slayer and Samael spat out.
