Opis produktu

Sepulchral Voice, 6 panel digipackcover, 12-side booklet, Four brand new compositions of hard crushing blackened DEATH METAL. These dark & rough chants show VIRCOLAC as a mighty rock of conviction in the middle of surging waves of "sophisticated" and "artistic" trends that try to transfigure and distort genre-borders and castrate the term -DEATH METAL-. 'The Cursed Travails Of The Demeter´ makes clear this rock was made out of the lava once such volcanos as Morbid Angel, Bolt Thrower, Order From Chaos, Slayer and Samael spat out.
