Opis produktu

Coinciding with the 20th anniversary of the release of Norwegian avantgarde rock maestros VIRUS' debut album Carheart,

A special limited bundle containing both Carheart and Demo 2000 on LP and cassette will also be available.

VIRUS was started in 2000 by Czral, Einz & Plenum, and have to date released 4 full-length albums, an EP and a compilation, several of them via drummer Einz' label Duplicate Records. In 2018, the band was put on indefinite hiatus.

The outlandish threesome's debut, Carheart remains a fan favourite with its unheard of mixture of Czral's trademark dissonant riffs and alien vocals, Plenum's rollercoaster-gone-bad bass excursions and Einz' infectious grooves. All seasoned with a healthy dose of Monty Python'esque imagery and absurd darkness.
