### Opis produktu

Virus is a Norwegian avantgarde / experimental metal / rock band, masterminded by Carl-Michael "Czral" Eide, formerly of Ved Buens Ende, Dødheimsgard and Cadaver (inc.) to name a few, a.k.a. Aggressor of Aura Noir fame. The band has so far released three full-length albums prior to this, all having received critical acclaim.

Oblivion Clock is a new EP comprising four exclusive tracks that were recorded at various locations and times and were completed just recently. As a bonus, the CD includes the much sought after "die hard" 7" tracks that came with only 250 copies of the Agent...LP + an obscure track from the Carheart sessions in a hitherto unreleased version. Playing time apx. 32 minutes.

Packaged in a lavish, 6-panel digifile designed by Einz.  
Vinyl version coming 2015
