Opis produktu

HELLS HEADBANGERS is proud to present the 2019 demo from VOID MEDITATION CULT, *Our Necrotic Revelations*, on 12" black vinyl and 12" opaque red vinyl.

With a new lineup and a renewed commitment to the blackest fires of Hell itself, VOID MEDITATION CULT issued in 2019 the first of three self-released cassette demos: *Our Necrotic Revelations*. Now taking its proper place on a single-sided LP, and with a presentation that replicates the original demo layout, *Our Necrotic Revelations* returns with a sonic ferocity that surpasses the 2019 cassette pressing.

Light the candles unsanctified and rejoin VOID MEDITATION CULT in the Devil's Temple. Six covenants of sacrilege are offered here to honor a venomous goddess of the chasm depths. Decomposed guitars growl as the choirs of perdition exhort VMC's necrotic revelations: "*...our prophetess of the rancid flesh beckons...*"
