Opis produktu

Jewel Case CD with 8 pages booklet.

Crushing and suffocatingly heavy Texan Death Doom quartet VOID WITCH is finally back with the new album "Horripilating Presence", a mosaic of inspirations that slithers across the whole spectrum of the genre and is not afraid to explore the beyond! The witch is ready to choke you again in the coils of her cloak. Succumb!
For fans of Hooded Menace, Temple Of Void, Coffins, Druid Lord.
