Opis produktu

Rrrööaaarr is Voivod's 2nd studio album, released on Noise records in 1986. This sophomore album features their unique blend of thrash, electronic & industrial soundscapes creating a primordial fusion of progressive metal. This definitive issue of VOIVOD's second album is a must-have item for any fan of this unique and ground-breaking Progressive Metal band. The 2CD/DVD Set vividly captures the period surrounding this album and details the band's early development within their native Canada plus their first live 'assaults' across the border into the US.
