Opis produktu

2020 LP reissue with alternate cover artwork. Pressed on black and silver vinyl with the front & back cover printed in silver foil. Comes with a 12"x12" booklet featuring all lyrics hand-drawn by Death Dealer.

Done bleeding the priest, after drinking the devil's poison, VOMITOR increases the nuclear heat with The Escalation! Legends in the diehard metal underground, these Aussie hooligans return with their barbaric, ancient Metal of Death: thermonuclear riffing, dive-bombing solos, vocal vomit, and chaotic crunch that's quintessentially and uniquely VOMITOR! Adding to an already stellar lineup, the witchery that is Horror Illogium of PORTAL fame adds an extra dimension of the twisted and torturous to the VOMITOR sound! Featuring all new tracks with riffs going back as far as the late 80's spilling forth from the warped mind of Death Dealer, 'The Escalation' is sure to be one of the most maniacal death metal albums of 2012!
