Opis produktu

Exclusive double digipak CD (one disc per band)!

SHADOW RECORDS (distributed & marketed by REGAIN RECORDS) is proud to present a special split album betwe
en VOODUS and DOMGÅRD, Ginnungagap / Ljungeld Över Människan, on double-
CD digipack, vinyl LP, and cassette tape formats.

Featuring six songs and 33 minutes of exclusive material, this special split album brings together two of
Swedish black metal’s most elite names. VOODUS have been on a tear since their formation in 2015, releasin
g their massively acclaimed Into the Wild debut LP in 2018 through SHADOW as well as three EPs, with last
year’s two-song/24-minute Open the Otherness displaying the band’s increasingly epic vision. Here with Gin
nungagap, their half of the split, VOODUS continue to explore that epic vision with two mind-expanding son
gs combining for 17 minutes of obsidian majesty and malevolence: truly, this horde is on the rise. DOMGÅRD
, by comparison, are veterans of the scene, forming in 1997 but delivering their debut album in 2010. Howe
ver, from there, the band have released a steady stream of albums which retain an authentically late ‘90s
vintage; oft unheralded, DOMGÅRD continue to create black metal of a superlative degree. With their half,
Ljungeld Över Människan, DOMGÅRD present four tr
acks which
ever so subtly expand upon their characteristic sound – searing execution stacked against sweeping dynami
cs, fog-choked atmosphere revealing bewitching melodicism – all of which further underline the band’s stat
us as Sweden’s standard-bearers of vivid classicism.

With the CD version presenting both halves on their own disc, revel in the past NOW with VOODUS and DOMGÅR
D’s respective Ginnungagap and Ljungeld Över Människan!
