Opis produktu

TERROR...FUROR...FERVOR

Pursuing their quest for truth initiated more than ten years ago in the North-East of France, VoE refines the formula developed on their previous album to spread an urgent and exalted black/death metal through Abhorrent Fervor.
From the burning harshness of an old-school death metal to the fanaticism of a typically French black metal, look for verticality in this world at a standstill.

FERVOR...FUROR...TERROR
