Opis produktu

WARFATHER is the new band by former Morbid Angel front man Steve Tucker. The band's debut album, Orchestrating The Apocalypse brutalizes in a relentless style that builds on the work laid on the three Tucker-fronted Morbid Angel albums: Formulas Fatal To The Flesh, Gateways To Annihilation and Heretic. Resounding with over forty minutes of pure American death metal. WARFATHER delivers an intense debilitating performance that should no doubt please fans of Morbid Angel, Nile, and Behemoth, while also sporadically infusing unique even bizarre atmospheric elements, elevating the album to a cutting-edge status. The album was recorded and mixed at Cincinnati-based TME studios by Steve Tucker and mastered by Maor Applebaum at Maor Applebaum Mastering.
