Opis produktu

Featuring Steve Tucker (MORBID ANGEL), WARFATHER's highly anticipated follow-up to debut album Orchestrating the Apocalypse, was produced by Death Metal icon and studio wizard Erik Rutan (HATE ETERNAL, ex-MORBID ANGEL). The collaboration marks the first time Tucker and Rutan have worked together since MORBID ANGEL's Gateways to Annihilation. Warfather's The Grey Eminence represents an evolution from the debut album and should please fans of the purest Death Metal.
