Underground Thrash Metal classic finally available again!

Wargasm's "Why Play Around?" is a criminally overlooked Thrash Metal masterpiece, now remastered and reissued again!

Originally unleashed in 1988, this cult classic rips with razor sharp riffing, frenetic solos and vitriolic energy that easily rivals the Big 4!

From the neck snapping opener "Wasteland" to the molten assault of "Revenge" and the epic nine minute title track "Wargasm," the Spillberg brothers (Rich & Barry) and Bob Mayo crafted a record that's ferocious, technical and ahead of its time.

No filler. No compromise. Just pure, unfiltered Thrash Metal!

- Artwork by Ioannis Nikolaos for Third Image (Deep Purple, Overkill, Sepultura, Fates Warning)
- LP comes in a deluxe gatefold with huge poster of the artwork
- CD comes in a jewelcase with slipcase with extended artwork
- Recorded by Tom Soares (Cro-Mags, Judge, Meliah Rage, Demolition Hammer)
- Remastered by Ted Tringo (Mysto Dysto, Absu, Nuclear Death)
- Legendary US Thrash Metal classic finally available again on CD and LP
- Featuring members from Meliah Rage

For fans of: Sacred Reich, Nuclear Assault, Meliah Rage, Sodom, Holy Terror
