Opis produktu

White double 12" vinyl with black splatters, cut at 45RPM for optimum fidelity, in gatefold sleeve.
Limited to 100 copies worldwide!

In a scene of countless carbon copies and soulless attempts to evoke the majesty of the ancient Swedish Black/Death Metal legacy, WATAIN stand alone solemnly. They are watching from the shadows, in genuine victorious sincerity.

These Satanic Swedes' heavily sought after debut release "Rabid Death's Curse" is finally available again! Initially released in a very limited quantity exclusively to the underground, the originals have been capturing large amounts at internet auctions. The album has since been remastered with a bonus track!

For fans of DISSECTION, NACHTMYSTIUM, XASTHUR, MAYHEM.

Side A: The Limb Crucifix/Rabid Death's Curse

Side B: On Horns Impaled/Life Dethroned/Walls Of Life Ruptured
