Opis produktu

Black shell cassette in regular Norelco box with j-card.
Limited to 370 copies worldwide.

In a scene of countless carbon copies and soulless attempts to evoke the majesty of the ancient Swedish Black/Death Metal legacy, WATAIN stand alone solemnly. They are watching from the shadows, in genuine victorious sincerity.
These Satanic Swedes' heavily sought after debut release "Rabid Death's Curse" is finally available again! Initially released in a very limited quantity exclusively to the underground, the originals have been capturing large amounts at internet auctions. The album has since been remastered with a bonus track!

For fans of DISSECTION, MAYHEM, MARDUK, VALKYRJA.

Tracklist:
Side A: The Limb Crucifiks / Rabid Death's Curse / On Horns Impaled / Life Dethroned / Walls Of Life Ruptured
Side B: Agony Fires / Angelrape / Mortem Sibi Consciscere / The Essence Of Black Purity
