Opis produktu

Black shell cassette in regular Norelco box with j-card.

In a scene of countless carbon copies and soulless attempts to evoke the majesty of the ancient Black/Death Metal legacy, WATAIN stand solemn, alien, watching from the shadows, in genuine victorious sincerity.
After their critically acclaimed second release “Casus Luciferi” (Album of the Month in Terrorizer) and a successful two-month tour together with DISSECTION, WATAIN now present their third Black Metal monolith “Sworn to the Dark”.

Artwork by Timo Ketola.
For fans of DISSECTION, MAYHEM, MARDUK, VALKYRJA.
