Wayfarer (Riders of the Setting Sun) High Noon Heat Vinyl

Wayfarer's new record brings the band's sound to its atmospheric conclusion: evoking darkness through calmness and creating the soundscape of an eerie desert oilfield in the dusk. Riders of the Setting Sun is the statement of a new Americana that rises from the horizon as the dusk engulfs the daylight. Yet, every sunset brings the promise of a new dawn (Emerson).

- This color is limited to 700 pcs worldwide.
- “High Noon Heat" Gold/Red 2CSide w/Black Powder
- OBI strip
- 12p LP booklet
