Opis produktu

Brand new, 1st full length by this Dutch old school death/Thrash metal act WEAPONS TO HUNT.

Released three Brutal Death Metal releases under the name INFINITED HATE Hate and last year transformed into WEAPONS TO HUNT. This extreme Dutch metal band, featuring main man Adrie Kloosterwaard (SINISTER) on vocals packed up again with Ron van de Polder (original and founding member of SINISTER) and Paul Beltman (ex SINISTER, ex Supreme Pain) on guitar and drums. They invited Bas Brussaard (SINISTER, Fondlecorpse) to work along with them on lead guitars to complete this terrifying line up. They bring an intense death / thrash metal style on this new album that brings you back to the good old days of Solstice, Demolition Hammer...And of course SINISTERS mighty debut album 'Cross The Styx' (needless to say, both debut albums are written by riff master Ron van de Polder!). Guest bass Erwin Harreman (ex Sinister, Supreme Pain). Tracks list: 1. The Hell Room 2. Blessed In Sin 3. Corpse Field 4.The Smell of Victory 5. Bullets For The Assassin 6. Merciless Impact 7. False Positive System 8. Strike Face
