## Opis produktu

*From the ashes of the old pyre, Warlord von Ravenclaw arises with black hordes of the empire: WEREWOLF BLOODORDER!*

*“Rites of Murder and Sacrifice” was recorded during the Southern War Winter 2020 and this is the return of what True Black Metal once was in the darkest times, inspired by Wampyric Mysticism, Medieval Satanism and Death Magick!*

*Like ablaze onwards the eternal cosmic cataclysm... A clandestine lightless star towards the final war!*
