## Opis produktu

**WEREWOLVES CONTINUE ANNIHILATING INTELLECTS ON 6th ALBUM 'THE UGLIEST OF ALL'**

By now, everyone knows Australia's **WEREWOLVES** and their insane mission of releasing ten death metal albums in ten years. 2025 puts **WEREWOLVES** at album six, '*The Ugliest Of All*', an increasingly unlistenable barrage of truly hideous music due out 19th September. It will be the band's triumphant first album on **BACK ON BLACK** after this year's earlier box set release '*Encoffined*'.
