Opis produktu

Pressed on green with black smoke heavy vinyl. Comes with 12"x12" 2-page insert and a download card. Colors on final record may vary to a degree from the mockup.

Furious and intimate, exciting and intriguing, "***Futility Report***" stems from a thoroughly modern vision, an innovative interpretation of Extreme Music which breaks down established codes whilst simultaneously deep-rooted in the obscure history of Black Metal.

"***Futility Report***" - or the metallic version of **ULVER**'s legendary "***Perdition City***" - is a new form of Dark Music, a serious piece of Art far removed from usual clichés and a significant forward step.
