Cena	<b>109,90 zł</b>
Dostępność	<b>Dostępny</b>
Czas wysyłki	<b>3 dni</b>
Producent	<b>Season of Mist</b>

### Opis produktu

Black 12" double vinyl (33rpm) in gatefold sleeve with sturdy, printed inner sleeves. The gatefold is not the same as the one that comes in the wooden box set 'The Sognametal Legacy'.

First pressing on black vinyl available separately (850 copies worldwide).

WINDIR's debut 'Sóknadalr' was released in 1997.

Whereas many bands take years to develop a signature sound, founding member Valfar knew the direction he wanted to take from the start.

One can immediately recognize the trademark Sognametal style from this cult classic, featuring the synth melodies combined with raw black metal, harsh and clean vocals, inspired by the sweeping views of the Sognefjord.

For fans of VREID, MISTUR, FALKENBACH, COR SCORPII

Tracklist :

Side A: Sognariket Sine Krigarar/Det Som Var Haukareid

Side B: Mørket Sin Fyrste/Sognariket Si Herskarinne

Side C: I Ei Krystallnatt/Røvhaugane

Side D: Likbør/Sóknardalr
