Opis produktu

Swedish heavy metal masters WOLF strike back with their 8th studio album “Feeding The Machine” that offers intense and addictive headbanger anthems covering the straight-up speedy attack (‘Shoot To Kill’), the infectious hooks (‘Midnight Hour’), the darkly melodic (‘The Cold Emptiness’), and gallopping riff-fests (‘Feeding The Machine’)! Featuring a gloriously morbid artwork by the legendary Thomas Holm (Mercyful Fate, King Diamond), WOLF know how to deliver the goods after letting fans wait for a new opus since “Devil Seed” in 2014. Recorded at SolnaSound (guitarist Simon’s own studio), mixed and mastered by Fredrik Nordström at Studio Fredman (At The Gates, In Flames, Arch Enemy), “Feeding The Machine” is a bit of a fresh start for WOLF as vocalist Niklas Stålvind and guitarist Simon Johansson now have been joined by Pontus Egberg (King Diamond) on bass and drummer Johan Koleberg (ex-Therion, ex-Lion’s Share) to bring an extra dose of reinvigorated energy and focus to the table. Confirmed to tour Europe and the UK with Grand Magus in March 2020, heavy metal’s finest WOLF-pack is all geared up to go for your throat! “Feeding The Machine” will be released as 180gram black vinyl plus CD, limited CD digipak including an Angel Witch cover version and on all digital platforms!
