The black flame still burns—and it's louder than ever.

Originally released in 2006, *The Black Flame* stands as one of the most ferocious and refined records in **Wolf's** discography. Fusing classic NWOBHM influences with razor-sharp modern production, the Swedish heavy metal masters deliver a blazing, riff-heavy assault that's equal parts melodic and menacing.

With standout tracks like "The Bite," "I Will Kill Again," and the anthemic "Children of the Black Flame," this album cemented Wolf's reputation for bringing traditional metal into the 21st century without compromise. Now remastered and reissued on vinyl, *The Black Flame* is ready to be rediscovered by longtime fans and new blood alike.

*The Black Flame* is available on Svart Exclusive Yellow/Red/Green marble vinyl, limited Turquoise vinyl and classic Black vinyl on October 31st, 2025.
