Early Swedish death metal sinners Wombbath are back with a brand new studio album!
Nearly two years after The Great Desolation WOMBBATH are back with their fourth fullength album ‘Choirs Of The Fallen’. 10 tracks full force death metal mixed by Maestro Tomas Skogsberg at the legendary Studio Sunlight. Not only the album is new since last, so is the line up. On guitar, Thomas Von Wachenfeldt known from Wachenfeldt, session bass player for Entombed and as well known for arranging the Entombed Symphony. On bass you find Matthew Davidson. He took over the bass after Johan Momqvist left early 2019. Matthew is known from Repulsive Vision where he plays guitar.
Since 2018 Jon Rudin known from Just Before Dawn, is punishing the drums.
Can easily say WOMBBATH now is a rock solid team!
