Australian visionary Woods of Desolation returns with ‘The Falling Tide’, a bewitching crescendo of atmospheric black metal and post metal elements.
Unlike the act’s Australian contemporaries who are known for their raw, unrefined grit, Woods of Desolation takes a different approach, showcasing the genre’s beauty and elegance with their grand melodic passages and radiant aura.

For fans of Drudkh, Fuath, Mgla, Deafheaven, Audn.
Artwork by Lucas Ruggieri.
