Opis produktu

“HARBINGERS OF A HORRID CLEANSING” is the debut demo tape by rising German-based Black/Death Terror Commando WRAHHA and presented now for the first time on CD by ICONOCLASM CONQVEST.

WRAHHA is the spiritual successor to the Bestial Black Death cult LIHHAMON, which existed briefly between 2015 and 2017. WRAHHA is spearheaded by former LIHHAMON guitarist M., and new co-conspirators P. and F., continuing the previous band's unholy campaign down the path of omnipotent destruction and absolute sonic bedlam.

WRAHHA brings forth an unprecedented audial assault channeling the cruelty and mercilessness of black/death cults like REVENGE, DIOCLETIAN & HERESIARCH, while establishing WRAHHA as a violent means of transcendence in its own right, not one who will ever follow in anyone's steps, but rather one meant to forge its own destiny and self-determination in crushing tyranny and cast its own destructive shadow across the path of anything or anyone who dare to oppose.

Across its 3 tracks of bludgeoning, terrorist black/death warfare, WRAHHA inaugurate their tyrannical reign of terror by wielding an unheard sonic weapon of mass extermination forged from pure concentrated chaos and smelt from a purified form of absolute hatred against all human ignorance.
